WE WILL NEED CHAIRPERSONS FOR THE FOLLOWING COMMITTEES, PLEASE CALL OR EMAIL BRENT, JENNIFER OR STACEY IF YOU ARE INTERESTED.

Concessions: We operate a concession stand for all home games at CP (not at Woodforest should a game be held there). The committee is responsible for stocking the food and drinks and coordinating volunteers to work the stand.

Program: We join with the girls soccer team to produce an annual soccer program. The committee coordinates with Ann Smith and the Girls Booster Club to compile the content, sell advertising space, publish and distribute the program. This is the primary job of the Vice President.

Banquet: We will celebrate the season with an end of year banquet usually in March or April. It is free to the players, friends and family purchase tickets. The committee plans and coordinates the event. To include finding and booking the venue, arranging the food, decorating for the event and coordinating volunteers.

Spirit/Publicity: This committee coordinates the special event nights at our home games such as teacher appreciation night, senior night, bring a friend night. They help make signs promoting upcoming game night events in order to help gain attendance to all of our games.

Historian: Takes photos at games/events to provide to the banquet coordinator for slide show.

Game-Day Sandwiches: Players are able to purchase meals to take with them for away games. The chairperson works with a restaurant to order the food and collects the money and orders from the players.

Currently we have all parents of seniors in the board positions. We really need some parents of freshman, sophomore and juniors to step up this year so they are prepared for next year once our boys graduate. Thanks so much!!
